

I wish you are Merry Christmas

The image displays a musical score for the song "I wish you are Merry Christmas". The score is presented in two parts: a standard musical notation at the top and a corresponding dot notation below it. The musical notation consists of a single staff with a treble clef, a key signature of one flat (B-flat), and a 4/4 time signature. The melody is written in eighth and quarter notes, with a final quarter note ending in a fermata. The dot notation below the staff uses black dots to represent notes on a five-line staff. The first line of the dot notation is filled with black dots, while the second, third, and fourth lines contain a mix of black and white dots. The fifth line is empty. The dot notation is organized into measures that correspond to the musical notation above, with vertical bar lines separating the measures. The first measure has a dotted line under the first dot, and the second measure has dotted lines under the first two dots. The final measure has a dotted line under the first dot and a fermata symbol at the end.
